The Military Assistant has simply sent a Copy of the Army Regulation for reference. Art articles 521 & 522 of these Regulations appear to contain the Scale of pension allowed in British India to the Native Troops. It is necessary to find out the relation of this Scale to the pay & service of the several Classes of military officers. It is also easy to ascertain which Class of officers mentioned in art 46 C of the British Army Regulation corresponds to the Classes given in art 362 M&R and how the Scale of pension obtaining in British India compares with that now proposed. May the Military Assistant be asked to give complete information regarding these points.

I. Subject - (Clauses vii & xii of Schedule).

Orders of His Highness the Maharaja dated the 3rd December 1904 calling for the view of the Council with regard to retrospective effect being given to the proposed grant of half pay pensions to all ranks of the Mysore Infantry.

Opinions of the Dewan and Councillors.

It is inconvenient to give retrospective effect to such orders. There is no strict principle demanding it. The new order may have effect in the case of those to be retired from its date. If effect is given to it from 1894, the annual additional cost will be about 3,000 Rs.

Submitted to His Highness.

The question of granting half pay pensions to all ranks of the Mysore Infantry instead of proportionate pensions has already been before His Highness once, and to the enquiry made as to the view of the Council regarding retrospective effect being given to the proposal, it is submitted that on principle, it is inconvenient to do so. The extra annual cost from 1894, if retrospective effect is given, will also be about ₹3,000. The proposal may have effect therefore from the date of the order in the case of those who retire hereafter.

Military

No 22
Enl file
Dated Bangalore 18 August 1904

Subject.

Revised scale for the pensions of the Mysore Infantry.

- - - - - -

This subject arose on the re--organisation of the Barr Infantry in 1894(vide Govt Order No 12-13 dated 4th July 1894) when the pay was raised but no change was made in pensions.

2. Govt noticed this discrepancy and called for proposals for the revision of the pension in question (vide Govt Order No 10151-3/ P & A 834 dated 22nd February 1898). These proposals were submitted to the Dewan direct by the Chief Com--mandant in March 1898(vide copy of his Memo put up) and subsequently referred to the Comptroller for information as to the cost of the proposals.

3. The Comptroller in his letter No 5033/P & A 647 dated 9th March 1904 reported that if the new rates were introduced the additional cost to Govt would amount to Rs 25/- per mensem or Rs 300/- per annum.

4. The enhanced rate of pay to the Barr Force was sanctioned in July 1894. The statement enclosed shows the number of Officers and men retired since that date and if the half pay increased rates of pension

1148
Can we write to Mills - for a draft alteration of the existing rule from the Comptroller. Let me know the rules under which Govt. Secretary recommended pensions. I am not sure that when the rules called retrospective effect should be given at this distance of time
19.VIII.04

Read 20/8/04

are granted to them the extra cost to Govt. will be Rs269/- per mensem or Rs 3228/- per annum.

It would be fair to let the increased rate of pension count from date of increased pay.

The date should be noted in the order in any case to prevent disappointment.

MILITARY SECRETARY'S OFFICE
22 OCT 1904
MYSORE GOVERNMENT

From

Lieut. Colonel R. G. Jones I.A.
Military Assistant to the Govt of Mysore

To

B. K. Venkatavaradaiyengar Esquire
Secretary to the Govt of Mysore
General & Revenue Departments Bangalore.

Sir,

With reference to your letter No Fl 2052/S & A 189-04-6 I have the honor to inform you that the ranks existing in both the British and Mysore Infantry are the same but the salaries drawn by the Officers in the former service are much higher than those drawn by those in the latter Corps.

For example:- A first grade Subedar in the Hyderabad Contingent Infantry draws Rs 90/- while a Subedar Major of the Mysore Infantry draws only Rs 80/- when not commanding a detachment

Again a Jemadar of the 3rd grade in the Hyderabad Con--tingent draws the same pay as that of a Subedar of the 1st grade in the Mysore Service.

2. As regards pensions, In the British service all the grades of a rank draw the same pension. For example in the Sube--dar rank there are 3 grades as noted below:-

1st grade -- Pay Rs 90/-
2nd grade- - - - Rs 75/-
3rd grade- - - - Rs 65/-

and all draw the same rate of pension viz Rs 40/- after 32 years approved service.

Similarly in the case of Jemadars, the three grades drawing Rs 45/-, 40/- & 35/- per mensem respectively are granted the same rate of pension viz Rs 20/- after 32 years of approved service.

But in the Mysore Service a uniform rate of half-pay pension is granted to all ranks and grades.

3. In regard to the class of pensions, the Mysore Service

Regulations provide only one class viz "Invalid pension" after 30 years approved service but in the British service there are two classes viz "Invalid" and "Superior" pensions after 20 and 32 years res-
-pectively.

As however the Mysore Infantry is maintained only for local purposes the proposed scale granting a uniform rate of half-
-pay pensions to all ranks after 30 years approved service is in my opinion ample.

Half-pay pension is calculated on the pay exclusive of the allowances (a) & (b) referred to in Article 362 of the Mysore Service Regulations.
